

Wild Sponsorship

Join in the efforts to help native wildlife and give them a second chance at life in the wild!

Each year, the number of injured and orphaned wild animals in crisis grows. The Appalachian Wild Urgent Care facility provides a place for animals to receive emergency care and treatment. Support from community partners is crucial to fully serve the needs of our native wildlife and sustain operations.

Your support comes at a critical time

Appalachian Wild's Urgent Care is very busy helping an 2,000+ animals each year!

Appalachian Wild is an essential resource in our community providing education about native wildlife. We live in a beautifully diverse area with a growing population coming into increasing contact with our wild neighbors.

The organization is also internationally known through the *Wands for Wildlife*® global recycling initiative with people of all ages engaged and inspired to help save wild lives. The program provides a unique way for sponsors to connect with a wide audience.

Help Save Wild Lives!
